European Food Venture Forum, 2-3 September, Aarhus - Denmark**

Brussels, 12th March 2015 – Europe Unlimited announces the **European Food Venture Forum, taking place on 2nd and 3rd September 2015 in Aarhus, Denmark**. The Forum will showcase emerging high tech companies and international food technologies, and is co-hosted by BioCluster, City of Aarhus, Future Food Innovation and Invest in Denmark, and sponsored by Arla Foods and supported by the following partners: The Danish Food Cluster; Enterprise Europe Network; GEMBA Innovation; FoodBest; Aarhus University; Kromann Reumert; Ernst & Young.

The European Food Venture Forum will showcase some of Europe's best innovative high tech companies in food and health technologies, and it will offer a unique setting with pan-European networking for entrepreneurs, investors, corporate representatives and industry experts in the food sector.

The European Food Venture Forum's unique programme allows business networking at the highest level, from high level panels and in-depth discussion groups via presentations from corporations and fast growing companies to private, pre-arranged One2One meetings.

Anterra Capital, Arla, BASF Venture Capital, DuPont Nutrition & Health, General Mills are just a few from the list of corporate and investors who will be attending the event to see emerging innovative companies in the food technologies present themselves.

You can view [HERE](#) the full list.

Rewards for Selected Companies

Applying companies will be screened by the EFVF Advisory board, and about 30 companies will be selected to present at the forum. Each selected company will have a 15 minutes slot to present their business plans and answer questions from Venture Capital and Corporate investors, Business Angels and relevant industry key player. In addition, they will benefit from networking opportunities, local and international media exposure and potential opportunities to secure funding. The best 25% of presenters will be awarded and continue to the European Venture Summit.

Testimonials from past editions

Jake Norman - OAL Group - Award winner EFVF 2014

"The European Food Venture Forum was a great event to present Steam Infusion, our revolutionary heating and mixing technology. I learnt a lot whilst at the event and connected with a number of interesting individuals that have created significant opportunities for our technology."

Thor Sigfusson - Codlans - Award winner EFVF 2013

"At the European Food Venture Forum 2013 I enjoyed the opportunity to meet people from various backgrounds in the food industry other than mine. I was positively surprised by the innovative ideas and valuable pieces of advice gained at the forum through the networking and one2one meetings with investors and other entrepreneurs. This is what makes these forums work wonders!"

Andreas Laustsen - Biosyntia - Award Winner EFVF 2012

"Europe Unlimited helped us gaining invaluable network and market understanding, which has positioned us very well in current investor discussions."
